PSC-1

Variable Speed Control

**Web-based building
management made easy**

Feature	Benefit
Variable Speed Control	Allows iWorX controllers to vary the speed of single-speed pumps for improved temperature regulation, greater system reliability, and increased pump life and energy savings.
Compatible with TACO 00® Series Circulators	Quick set-up, no switches or settings required. Automatic voltage and frequency detection.
NEMA 4X enclosure	Includes enclosure and strain relief for easy installation and wiring.
